

Snapshots: Blessing the lives of others

The Bimini team was invited to have Guyanese food at the home of Mrs. Butters, the agriculture teacher.

Children all over the world love attention.

The Galapagos team learns mud is plentiful.

Children headed to afternoon sports camp. Golf carts are the main mode of transportation in parts of the world.

How many children get a private lesson from a band director with 30 years of experience and four state championships for marching band?

Read about this photo in the enclosed letter. It's interesting how God puts things on our hearts at certain times.

Craft time at Camp Bimini

Women get serious with boot-camp style fitness, led by power-lifter Tina. She gave them a "break" to play basketball!

Our plane carried 24 cubic yards of vermiculite, peat moss, and compost to enrich the sandy soil of the garden at the Bimini All Age School.

Children get quizzed about God, Jesus, heaven and prayer.
